

Strawberry Shortcake Fizz

Vodka • Sweet + Fresh

Ingredients (1 drink)

- 2 oz vodka (vanilla vodka is great here)
- 1 oz strawberry puree (or muddled strawberries, fine-strained)
- 3/4 oz fresh lemon juice
- 3/4 oz simple syrup (use 1/2 oz if puree is very sweet)
- 1 oz half-and-half (or coconut cream for dairy-free)
- 2 oz club soda (to top)
- Garnish: strawberry + lemon wheel

Steps

1. Add vodka, strawberry puree, lemon juice, simple syrup, and half-and-half to a shaker (no ice).
2. Dry shake hard for 10 seconds to build foam.
3. Add ice and shake again 10-12 seconds until very cold.
4. Double strain into an ice-filled highball (or a coupe for no ice).
5. Top with club soda and give one gentle stir.
6. Garnish and serve.
